## Product Description

---

CBB65 air conditioning compressor starting explosion-proof capacitor  
5/8/25/30/35/40/45/50/60UF450V

5UF

8UF

25UF

30UF

35UF

40UF

50UF

60UF

Compressor cable 1.5 hp

Compressor connection line 3 hp

Compressor connection line 5 hp

Explosion-proof design, safe and reliable to use

Applicable frequency is 50Hz/60Hz AC power supply, single motor powered by starting and running.

Explosion-proof solder joint copper foil has good explosion-proof heat dissipation

High stability and reliability, explosion-proof design is safer

Full insert design

Safe and convenient

The starting capacitor is not divided into positive and negative poles. The two wires of Benbo and HB are connected to the capacitor. Wanwai's humanities

Explosion-proof solder joints

Simple high-end plug-in design, high stability and reliability, regardless of positive and negative

poles

Product name: Starting capacitor

Model:CBB65

Product shell: thickened aluminum shell

Capacity deviation:±5%

Packing quantity: 50 pieces/carton

Scope of application: Universal for all brands of air conditioners

Warranty: Free replacement within 2 years (pay for the freight)

Air conditioning compressor capacitor matching:

Number of air conditioners

capacitance

1 horse

20UF ~ 30UF

1.5 horses

30UF ~ 35UF

2 horses

40UF~ 50UF

3 horses

50UF~60UF

4 horses

60UF ~ 70UF

5 horses

70UF~80UF

## Additional Information

---

**sort by color:** 5UF, 8UF, 25UF, 30UF, 35UF, 40UF, 50UF, 60UF,  
Compressor cable 1.5 hp, Compressor connection line 3 hp, Compressor  
connection line 5 hp
