## Product Description

---

Brand SHLUH CHERN Asahi Chen Kogyo Shoji Electromagnetic Pump YEM-25

Brand:

YEONG DIEN YONGDUAN MACHINERY INDUSTRY CO., LTD Electromagnetic pump YEM-25

Place of origin: Taiwan

Power: AC220V

Characteristics:

1. According to the electromagnetic induction principle of action, low power loss.
2. Small size, occupies less space.
3. Can be used continuously for lubrication or cooling function.
4. High mechanical, with flow adjustment valve, adjust the flow; spit out the flow will be due to the length of the oil pipe and the viscosity of the oil and change.

Use: Applicable to small processing machinery; such as: lathes, milling machines, grinding machines, etc..

YEM-25 electromagnetic oil pump Taiwan Yongdian Xuchen oil pump AC110V free shipping

Yuqing surface grinder accessories Model: FD7010U12D

Voltage: DC12V

Current: 0.45AMP

Brand: FirstD

## **Additional Information**

---

**sort by color:** Taiwan Xuchen oil pump YEM-25 AC-220V, Taiwan Xuchen oil pump YEM-25 AC-110V, Taiwan Yongdian oil pump YEM-25 AC-110V, Taiwan Yongdian oil pump YEM-25 AC-220V, Uniform oil pump 110V, Uniform oil pump 220V
